

**United States House of Representatives
Committee on Appropriations
Project Request Summary**

Subcommittee, Agency and Account Information

Subcommittee

Transportation, HUD

Agency

Federal Highway Administration (FHWA)

Account

TCSP - Transportation & Community & System Preservation

Project Information

Project Name:

I-294 at I-57 Interchange, Illinois

Amount Requested:

\$50,000,000

Project Description:

This project would design and construct an interchange where I-294 and I-57 cross. This is currently the only location in the country where two interstate highways cross but do not have an access interchange.

Intended Recipient of Funds

Illinois Department of Transportation
2300 S. Dirksen Parkway
Springfield, IL 62764

Explanation of the request:

This project would benefit taxpayers by improving interstate and regional travel by reducing travel times as well as by fostering commerce in Chicago's south suburbs.
